*The Liber Christo method of training non-exorcist priests or exorcist priests building teams of laity will benefit from the General Practitioner/Laity team training on the Liber Christo Protocol.*

*Live Presentations by:*

**AND**

*virtual Zoom presentations by:*

**Fr. Chad Ripperger, SMD**

We will be focusing particularly on the 4-Phase Protocol of this 'medical model' in which the Exorcist is the 'specialist' and the Laity serve as 'intake personnel, nurses, triage, case administrators, and theatre staff, and the parish priest of a diocese serve as the 'general practitioner', all following a formal diocesan protocol which insures minimal spiritual and temporal risk to petitioners, priests and diocese.

We hope to share with each 'general practitioner' and his team the proven methods and diagnostic tools of the spiritual combat necessary to meet the day-to-day encounters of those seeking relief from suspected extraordinary diabolical activity, in both individuals and locales.

**The Liber Christo Four Phase Protocol Training will cover:**

- o Angelology and the Nature and Psychology of the Diabolic
- o God's Design for Human Nature and the Diabolic Disordering of our Nature
- o Power and Authority Structure
- o The Centrality of the Sacraments, Proper Order and the Flow of Grace
- o The Levels of Diabolic Affliction
- o A Detailed Explanation of the Four Phase Protocol including:
