MONTE CHRISTO, LLC

Who Is Monte Christo, LLC?

As depicted in the image above, Monte Christo, LLC is the vehicle which transports a variety of specialized spiritual warfare products. There is more than one product behind the tailgate.

Monte Christo, LLC is a corporation established to support spiritual warfare training for Exorcist and Parish Priests, Laity Teams, and individuals. The medium for this training is parish missions, training retreats for Priests and Laity, online book studies and other means. The aim is to support priests and laity that are executing this work throughout the country by organizing and administrating the commercial aspect of the effort. All of the training workshops, retreats, and mission talks are based on the Liber Christo Model of Liberation through reconciliation with God The Father.

The Monte Christo Community is a group of individuals that have the common goal of promoting spiritual warfare in an authentically Catholic model. This is done through sponsoring and participating in events promoting this goal.

Snapshot of the Month

From time-to-time we will provide a snapshot of key people and presenters for Monte Christo, LLC. This month we are featuring Mr. Kyle Clement:

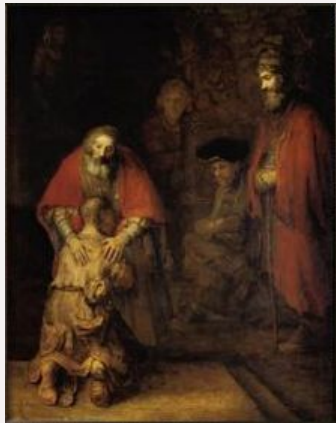

Mr. Kyle Clement is the case Facilitator/Administrator for the Societas Matris Dolorisissimae (SMD). He has worked with Exorcists and support personnel for the last 20 years. Mr. Clement was on the founding committee that formed the Pope Leo XIII Institute for the training of exorcists in the US at the request of the SCCB. He subsequently taught and formed Priests, as well as their support teams, with the Pope Leo XIII institute for several years.

Mr. Clement's association with Fr. Chad Ripperger preceded the founding of the SMD. The Society is an order of semi-contemplative Exorcist Priests and lay assistants that provide formation and consulting services to Cardinals, Bishops, Exorcists, Priests, Mental Health Professionals, and Law Enforcement Agencies in the areas of Exorcism and extraordinary diabolical activity. The SMD also provides Exorcist formation and training for Parish Priests, Mental Health Professionals and Deliverance Teams following a medical model known as the Liber Christo Methodology. Mr. Clement has presented on this topic both domestically and

internationally at public conferences as well as Diocesan Convocations and Clergy only training retreats.

FREE Reflection Corner

Each month Kyle will present a different reflection on a parable or topic appropriate to the Liturgical Season. These reflections will be available on YouTube for viewing and sharing with others. This is a way for Kyle to share freely his lessons from his years of spiritual combat and study of the Catholic Faith.

This Month Mr. Kyle Clement presents a reflection on The Prodigal Son parable. It can be viewed on YouTube and read from the attached resources.
