#### **Who Is Monte Christo, LLC?**

As depicted in the image above, Monte Christo, LLC is the vehicle which transports a variety of specialized spiritual warfare products. There is more than one product behind the tailgate.

Monte Christo, LLC is a corporation established to support spiritual warfare training for Exorcist and Parish Priests, Laity Teams, and individuals. The medium for this training is parish missions, training retreats for Priests and Laity, online book studies and other means. The aim is to support priests and laity that are executing this work throughout the country by organizing and administrating the commercial aspect of the effort. All of the training workshops, retreats, and mission talks are based on the Liber Christo Model of Liberation through reconciliation with God The Father.

The Monte Christo Community is a group of individuals that have the common goal of promoting spiritual warfare in an authentically Catholic model. This is done through sponsoring and participating in events promoting this goal.
