Priests & Laity Team

ADVANCED Training Retreat

Liber Christo 4-Phase Protocol

The Liber Christo method of training non-exorcist priests or exorcist priests building teams of laity will benefit from the General Practitioner/Laity team training on the Liber Christo Protocol.

**Our Lady of Hope Catholic Retreat Center
in Chatawa, MS**

**Live Presentations by:
Mr. Kyle Clement, SMD**

Dan Schneider, PhD Theology

AND

**virtual Zoom presentations by:
Fr. Chad Ripperger, SMD**

The Liber Christo 4-Phase Protocol features a 'medical model' in which the Exorcist is the 'specialist' and the Laity serve as 'intake personnel, nurses, triage, case administrators, and theatre staff', and the parish priest of a diocese serve as the 'general practitioner', all following a formal diocesan protocol which insures minimal spiritual and temporal risk to petitioners, priests and diocese.

We hope to spend most of the 2024 Training discussing the management of cases transitioning from Phase 1 to Phase 2. The main focus will be that of the Phase 2 protocol with emphasis on **The Liber Christo Method: A Field Manual for Spiritual Combat**. To maximize this Training, participants are to come familiarized with content of this tactical and practical spiritual manual. See purchasing options below.

The Liber Christo 4-Phase Protocol Training will cover:

- Management of cases transitioning from Phase 1 to Phase 2
- Understanding the development and progression of The Liber Christo Method: A Field Manual for Spiritual Combat
- In-depth Lesson-by-Lesson logic building upon each previous lesson principles seeking sound evidence of metanoia.
- How to Identify the hallmarks of true repentance and metanoia that is sequential not necessarily chronological
- The Objective: interior transformation vs. transference of information
- Facing resistance; how and when to 'take ground' and not retreat.
- Determining & Presenting Diagnostic Results: *The Who, What, When and Where*
