Who Is Monte Christo, LLC?

As depicted in the image above, Monte Christo, LLC is the vehicle which transports a variety of specialized spiritual warfare products. There is more than one product behind the tailgate.

Monte Christo, LLC is a corporation established to support spiritual warfare training for Exorcist and Parish Priests, Laity Teams, and individuals. The medium for this training is parish missions, training retreats for Priests and Laity, online book studies and other means. The aim is to support priests and laity that are executing this work throughout the country by organizing and administrating the commercial aspect of the effort. All of the training workshops, retreats, and mission talks are based on the Liber Christo Model of Liberation through reconciliation with God The Father.

The Monte Christo Community is a group of individuals that have the common goal of promoting spiritual warfare in an authentically Catholic model. This is done through sponsoring and participating in events promoting this goal.

Snapshot of the Month

UPCOMING COURSE

Introduction to the Science of Mental Health

An Overview of Thomistic Psychology
with

Jeanne Marie Ganucheau, MSW, LCSW

Regretfully, the timeline for completion of this course has shifted a bit. We will have the class available for the priests and mental health professionals who are registered for the 2024 conferences (in Chatawa, Mississippi) as a pilot project. This will provide an opportunity to work out the wrinkles and ensure that the key information is incorporated. Those registered for the conferences will hear from me and Kate Edwards in the upcoming weeks.

This self-paced course includes videos with supplemental notes, and condenses the essential aspects of a Thomistic perspective of the nature of the person and the operation of the faculties. The information is indispensable in counseling, particularly those who are involved in this ministry. Developed from Fr. Chad Ripperger's book, *Introduction to the Science of Mental Health*, this initial course is a Thomistic view of the nature of the human faculties. The subsequent course will emphasize the application of these concepts in counseling.

The first course, *Thomistic Perspectives on The Nature of Man*, is comprised of 9 classes:

1. The Need for Thomistic Perspective
2. The Ontological Structure of Man
3. The Appetite Faculties: The Appetites and Passions
4. The Sensitive Faculties: The Exterior and Interior Senses/Passive Intellect
5. The Intellective Faculties: The Agent Intellect and the Possible Intellect
6. The Will
7. Summary and Comments on the Impact of the Faculties on Mental Health

- 8. Disposition and Habits
- 9. Virtues, Vices, and Actions

The course will be open to others as soon as possible. While the course addresses those in a counseling role which includes mental health professionals, priests, coaches or educators, anyone interested would benefit. More details will be coming soon.

For information on the 2024 Conferences in Chatawa, Mississippi, please see details offered at the end of this newsletter.

Prepare Ye the Way!
Monte Christo presents
A Reclamation Theology
Zoom Retreat
with Mr. Kyle Clement
Begins Sunday
November 26th at 8PM EST

The "Prepare Ye the Way" Zoom retreat will begin Sunday Evening November 26th at 8:00 PM with a live Zoom discussion with Mr. Kyle Clement. Each evening, Monday November 27th through Friday, December 1st, there will be live Zoom sessions at 8PM EST. During these sessions Mr. Clement will present material to instruct us on ways to fully utilize the season of Advent, rather than skipping through it to make it to the Nativity. There is so much richness in the traditions of our Catholic Faith present for centuries that we do well to always seek that depth as preparation for any season, but especially Advent.

Each morning there will be recorded reflection to listen to and to spend time throughout the day coming back to it. The live portion concludes Friday December 1st. There will be a recorded reflection for Saturday, December 2 to carry us into the First Sunday of Advent.

Subscribe to the daily Reclamation Theology with Mr. Kyle Clement Podcast to receive special discounted pricing for the retreat!
