The Pastoral Response and Necessity of
Holiness Relative to the
Liber Christo 4-Phase Protocol

Presented In Person by
Fr. Chad Ripperger, SMD

Our Lady of Hope Catholic Retreat Center
Chatawa, Mississippi

Dear Father,

Please accept this invitation to attend the 2025 Retreat for Priests with Fr. Ripperger, PhD. Attendance is limited, so please register early to reserve your spot.

The Liber Christo Method of training Parish Priests to assist and support Exorcists in the ministry of liberation from suspected diabolical activity follows a medical model; in which the Exorcist is the specialist and the laity serve as intake personnel, nurses, triage, case administrators and theatre staff. The parish priests of a diocese serve as the general practitioners, all following a formal diocesan protocol which insures minimal spiritual and temporal risk to petitioner, priests and diocese. For more information on the topic, go to www.montechristo.net and watch the video.

This conference will provide instruction and guidance on PHASE 0 of the Liber Christo Method Protocol.

Topics of discussion:

- 1) Implementing a reasonable and safe protocol at the parish level to address claims of diabolical activity
- 2) How to exhaust the pastoral response and determining the need to enlist the Exorcist (specialist)
- 3) Prayer, discipline, and personal pursuit of holiness necessary for affective participation in the liberation ministry
