Who Is Monte Christo, LLC?

As depicted in the image above, Monte Christo, LLC is the vehicle which transports a variety of specialized spiritual warfare products. There is more than one product behind the tailgate.

Monte Christo, LLC is a corporation established to support spiritual warfare training for Exorcist and Parish Priests, Laity Teams, and individuals. The medium for this training is parish missions, training retreats for Priests and Laity, online book studies and other means. The aim is to support priests and laity that are executing this work throughout the country by organizing and administrating the commercial aspect of the effort. All of the training workshops, retreats, and mission talks are based on the Liber Christo Model of Liberation through reconciliation with God The Father.

The Monte Christo Community is a group of individuals that have the common goal of promoting spiritual warfare in an authentically Catholic model. This is done through sponsoring and participating in events promoting this goal.

Snapshot of the Month

LOOKING BACK.....

January and February were busy months for the Monte Christo/Liber Christo Community.

In January we had another successful training of Exorcists by Fr. Chad Ripperger, PhD at Our Lady of Hope Catholic Retreat Center. If you are a Priest or know one that is interested please reach out to info@montechristo.net to be registered. The dates for 2026 will be January 11-16th 2026.

Following the Exorcist Training Mental Health Professionals and Priests were trained in an Intensive 4 day course on Thomistic Psychology. Following on the very successful 2023 training this provided both clinical and theoretical study of St. Thomas Aquinas's, Doctor of the Church, view of the Faculties of the Human Person. The dates for 2026 will be January 16th through 20th.

To finish out January, Priests gathered for a Priest Only working retreat. This retreat was aimed at broadening understanding of Phase 0 of the Liber Christo Method –Exhausting the Pastoral Remedy. The dates for 2026 will be January 20th through January 24th .

Finally, in February, we finished up the 2025 training cycle for the Liber Christo Method with a General Practitioner and Laity Team Training.

This year the focus of this training was on Phase 3. The dates for 2026 will be January 25th through January 30th .

All of the trainings are held at Our Lady of Hope Catholic Retreat Center in Chatawa, MS. Please email info@montechristo.net for further information and to register for 2026.

PREPARATION FOR LENT RETREAT

Tomorrow night, March 2nd, we will begin the Zoom Preparation for Lent annual retreat. Mr. Kyle Clement will be present each evening live via Zoom to discuss the morning's Reclamation Theology podcast meditation and other topics related to "squeezing every drop of grace out of Lent"...

We as Catholics have many basic practices that have been lost to the business of so many other distractions/devotions/secular news events... Lent will be the perfect time to refocus on Prayer/Fasting (yes, even from the news!)/Almsgiving.

Listen here to Mr. Clement's invitation and introduction to this opportunity:

Back again, by request:

Did you miss last year's book study on **The Liber Christo Method A Field Manual for Spiritual Combat** published by Tan... well Mr. Clement has

agreed to an encore! This will not be the same course from last year. (although by signing up for this you will have access to last year's recordings) this book study will be live for 2026.

We had many participants last year that expressed "Every time I go through this book/lessons there are so many more "things" I didn't see/contemplate/act on the last time I went through it." This was a comment from a Liber Christo Team Member that has been through the

book MANY times... so if you think you got it all the first time... join again and see if they are correct. AND if you were one of the ones that weren't sure you had the time to commit or were hesitant last year, sign up and see what they observed first hand.

See flyer for dates and details. Also [Book Studies – Monte Christo, LLC](#) for details.
